# Grafica e materia, perfettamente sincronizzate.

GRAPHICS AND MATERIAL, PERFECTLY SYNCHRONIZED.

Nella collezione Galaxy, grafica e materia si fondono grazie a un'innovativa tecnologia digitale che crea rilievi estremamente precisi, perfettamente sincronizzati con il disegno di ogni singola piastrella.

Venature, sfumature e dettagli acquistano profondità, dando vita a una superficie tridimensionale, realistica e ricca al tatto, valorizzata da un raffinato gioco di luci e ombre.

In the Galaxy collection, graphics and material come together through an innovative digital technology that creates exceptionally precise reliefs, perfectly synchronized with the design of each individual tile.

Veins, shades and details gain depth, creating a three-dimensional, realistic and richly tactile surface, enhanced by a refined interplay of light and shadow.
