MURAGLIA

COLLECTION

Muraglia interpreta il fascino del brick in una nuova dimensione ceramica 60x120, dove il ritmo verticale delle superfici incontra una palette ricercata di toni naturali, polverosi e profondi.

Finiture lucide e opache dialogano tra riflessi, materia e colore, creando pareti dal carattere contemporaneo, capaci di trasformare ogni ambiente in uno spazio autentico, elegante e vibrante.

Muraglia interprets the charm of brick in a new 60x120 ceramic dimension, where the vertical rhythm of the surfaces meets a refined palette of natural, dusty and deep tones.

Glossy and matte finishes interact through reflections, texture and colour, creating walls with a contemporary character, capable of transforming any setting into an authentic, elegant and vibrant space.
